

## How To Use This Site

Watch this short video clip to take a tour of EarthActionMentor.org and find out how you can start taking action today!

### Quick Start Tips:

- The best place to ask questions is in the [Community Forum](#). Mentors check this every other day. If you e mail us it will take a lot longer. We also want everyone to benefit from the question.
- Check the [member home page](#) for the list of most recent articles
- To access permaculture content based on subject go to the [permaculture content map](#)
